CONFIRMATION NO. 9450
FORMALITIES LETTER

Date Mailed: 02/10/2026

NOTICE TO FILE MISSING PARTS OF PROVISIONAL APPLICATION
FILED UNDER 37 CFR 1.53(c)
Filing Date Granted

An application number and filing date have been accorded to the above-identified provisional application. The items indicated below, however, are missing. Applicant is given TWO MONTHS from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment.

- The statutory basic filing fee is insufficient based on the current entity status of the application.
Surcharge as set forth in 37 CFR 1.16(g) has not been received.

The surcharge is due for late submission of filing fee or cover sheet.

SUMMARY OF FEES DUE:

The fee(s) required (including the fees noted above) are as follows. No entity status discount is in effect. If applicant is qualified for small entity status, a written assertion of small entity status must be submitted to establish small entity status.

- \$325 basic filing fee.
\$65 surcharge.
\$(65) previous unapplied payment amount.
\$325 TOTAL FEE BALANCE DUE.

Applicant is notified that the above-identified application contains the deficiencies noted below. No period for reply is set forth in this Notice for correction of these deficiencies.

Items Required To Avoid Processing Delays:

The deficiencies indicated below should be addressed promptly to avoid further processing delays.

This application, which was filed with an indication of micro entity status, fails to meet the requirements for establishing micro entity status because:

- Certification of micro entity status is missing. (See 37 CFR 1.29 and forms PTO/SB/15A and 15B.)

If micro entity status is established in reply to this notice by filing an acceptable Certification of Micro Entity Status, the fees itemized in the SUMMARY OF FEES DUE section of this Notice will be reduced to reflect the appropriate micro entity discount, and any previous payment amount may be applied to the discounted fees.

If applicant is not entitled to micro entity status under 37 CFR 1.29, applicant may still qualify for an appropriate reduction of fees if small entity status can be established under 37 CFR 1.27.

Replies must be received in the USPTO within the set time period or must include a proper Certificate of Mailing or Transmission under 37 CFR 1.8 with a mailing or transmission date within the set time period. For more information and a suggested format, see Form PTO/SB/92, MPEP 512, and www.uspto.gov/incomplete-application.

Replies should be addressed to:
